eliza mclamb

McLamb is an indie-rock musician from North Carolina. She found success sharing songs online and co-hosting the pop culture podcast Binchtopia. After releasing several singles, EPs, and her debut album, she is now touring in support of her sophomore album, Good Story, which explores storytelling and self-narrativization.

4.25

COVET is a Bay Area instrumental math- and post-rock trio led by Yvette Young. Their sound is both an extension of, and a rebellion against Young's classical roots, exploring emotional, intricate, and melodic soundscapes.

5.14

Ades is an alt-pop singer-songwriter from New Jersey and a former contestant on the 5th season of The Voice. She has written songs for stars like Selena Gomez, Zara Larsson, and Gracie Abrams. Her newest EP, Worst Person in the World, tackles perfectionism, self-criticism, and the chaos of girlhood.
